* No NSSAF D1 Championship – season ended due to job action

** No NSSAF D1 Championship – COVID-19 ended season

TOURNAMENT RULES

1. All games will be played under SSNS rules except as outlined below and there will be no protests allowed.
2. Suspensions during the tournament will be based on SSNS guidelines.
3. Players who are under suspension for a gross misconduct, game misconduct or match penalty are ineligible to participate in tournament games unless their suspension is terminated during tournament play.
4. Teams should be at the rink one hour before scheduled game times. Teams must be prepared to begin a game up to 20 minutes prior to the scheduled start time if required.
5. A five-minute warm-up is allowed before each game. All round robin games will be three stop-time periods of 15 minutes, with ice resurfacing after the five-minute warm up and after the second period. Semi-final and the Championship games will be two 15-minute stop-time periods and a 20 minute, stop-time third period with ice resurfacing after the second period.
6. If, at any time during the first two periods of any game, a goal differential of six goals exists, the balance of the game will be played at straight time. If at any time in the third period of any game, a goal differential of four goals exists, the balance of the game will be played at straight time.
7. Minor penalties will be two minutes in duration unless the game is being run at straight time at the time of the penalty infraction. Those penalties will be three minutes in duration.
8. Ties will not be broken during round robin play.
9. The "Five Point System" will be in effect for the round robin games in the tournament (see #20 "Five Point System" below).
10. In the event a team is unable to play a scheduled game, the other team will be awarded five points with a winning score of 3 to 0.

TOURNAMENT RULES

11. There are two 3-team divisions (A & B). All teams in the 3-team divisions will play three round robin games against teams in the other 3-team division. At the end of round robin play, the two teams with the highest number of points of the 6 teams in both divisions will advance to the semi finals.
12. The third division (C) has 4 teams. All teams will play three games against the other teams in division (C). At the end of round robin play, the team with the highest number of points in division C will advance to the semi finals.
13. One final wildcard team will advance to the semi finals based upon the highest number of points achieved in the round robin games for all remaining teams in all divisions not already advancing to the semi finals. Any ties will be broken by using the tiebreaking procedures outlined in number 15 below.
14. At the end of all round robin games, the semi final teams will be determined, and the games will match the advancing teams as follows:
 - i. The Division (A & B) team with the highest number of points versus the wildcard team.
 - ii. The Division (C) winner versus the Division (A & B) team with the second highest number of points.The higher ranked team will be the home team in these semi final games.
15. Ties in points at the conclusion of round robin will be broken as follows:
 - i. Record of direct round robin games between tied teams (if applicable);
 - ii. The ratio of goals for divided by goals against from all round robin games (calculated to four decimal points);
 - iii. The team with the least penalty minutes from all round robin games;
 - iv. A coin flip.

NOTE: If more than two teams are tied, the highest ranked team will be determined first, then the tie breaking formula will start over to break any remaining ties between those teams remaining tied.

16. The winners of the semi-final games will meet in the Cheetah Challenge Championship final. The team with the highest number of points in the round robin will be the home team with ties broken as determined in number 15 above.

TOURNAMENT RULES

17. There are no ties after round robin games. If a semi-final or the Championship Final game is tied at the end of regulation time, there will be a tie-breaking procedure as per the following:
- A two-minute break followed by a 5-minute stop time, sudden victory overtime period with 3 skaters per team.
 - If the game remains tied and the tournament committee determines there is enough time available, a second 5-minute stop time sudden victory period with 3 skaters per team will continue until the tie is broken. If there is deemed not to be enough time, the teams will go to a 3-player shootout as per the MSHSL rules for breaking ties in Regional Playoff games.
 - Penalties will be two minutes and will be served in the following manner: (i) the penalized player will serve the penalty, (ii) the penalized team will have the allocated 3 skaters and the other team will be allowed one additional skater, to a maximum of five. At the first stoppage of play after the penalty has been served, both teams will return to playing with three skaters.
18. Registration: teams are required to sign in prior to their first game at the BMO Centre (Bedford) where the main tournament office will be. Coaches will receive their information packet at sign in.
19. Teams will be permitted one thirty second time out per game.

20. Five Point System - Applies to Round Robin Play Only:

Points for each round robin game played:

- Two Points for a win
- One Point for a tie
- Zero points for a loss

In addition, one point assigned per period as follows:

- One point awarded for a period won
- 1/2 point awarded for each period tied
- Zero points awarded for period lost

Maximum points awarded per game are five.
